DOMAINE PUJOL

LES GAILLARDS SAUVIGNON

Label: Pays d'OC IGP CL.: 75 cl

Varietals: 100% Sauvignon.

Vineyard: Along the valleys of the Resclauze and Ruchol, our Protected Geographical Indication vines grow on sandstone marl soils. The two rivers flow into the former Marseillette lagoon, which was drained and used for cultivation from the 19th century. This is where the freshwater mariners name comes from.

Vinification: Pressed juices from a night-time harvest. Cold fermentation at controlled temperatures.

Tasting: Beautiful pale gold colour with a greenish hue. A flinty nose opens up to aromas of passion fruit and grapefruit. The delightfully fresh palate evolves towards white flesh fruit, lemon granita and grapefruit. A lively wine, with a beautiful hint of salinity to finish.

Pairing: A perfect partner for all types of shellfish, goat's cheese, green asparagus.

Serve at around 11°C.
